Horse exhibitors must present a Horse Health Declaration, Waybill and/or Queensland Travel Permit when moving onto any QCAS affiliated agricultural society showgrounds.

It is compulsory to complete a Horse Health Declaration for ALL horses entering any QCAS affiliated agricultural society showgrounds.

All QCAS affiliated agricultural societies have developed a comprehensive Agricultural Show Biosecurity Plan and all event organisers, competitors and spectators have a joint responsibility to ensure the successful implementation of a biosecurity plan.

PLEASE NOTE: A Horse Health Declaration is printed in this Schedule for completion and signature by the exhibitor.

Horse Health Declarations, the current QCAS Hendra Virus Biosecurity Policy Statement and Fact Sheet are available at www.queenslandshows.com.au .

Please ensure that you complete the Horse Health Declaration and return same to our office either at the time of forwarding your application for stables/camping or when obtaining your first event tickets. Please note that we will retain copies of submitted Declarations on file. Please also note that you may not compete until you have lodged a completed and signed Horse Health Declaration with our Show Society. We will be taking steps to ensure that your Declaration has been lodged prior to competing.

Animals demonstrating signs of illness MUST NOT enter our grounds. Should anyone observe an animal showing signs of illness, you should immediately contact our office.

Should it be necessary to instigate a lockdown of our grounds, any person refusing to stay is required to lodge their details with our office prior to leaving, to enable contact to be made with that person should it become essential. Please note our Society will not be responsible for any costs to any person remaining during the lockdown period.

To minimize the possibility of spread of any disease during our show, we request competitors to follow the procedures below:

- 1. Minimize your contact and your horses' contact with other people's horses.**
- 2. Monitor and restrict public access to your animals where practical. Encourage any public having contact with your animals to wash their hands.**
